### COAL DEVELOPMENT CIVIC EDUCATION TO KITUI COUNTY DEPARTMENTAL HEADS AND COMMUNITY MEETINGS.

The above subject refers.

Mui basin sensitization of the local community was undertaken by this Ministry in February and March 2012 and covered only the four coal blocks of the basin. The Ministry intends to hold meetings with GOK officers in all the sixteen (16) Districts in Kitui County and revisit the local community to educate and clarify issues on the Coal Project development. This will be undertaken in consultation with the County Governor, the County Commissioner, the local Members of Parliament and County representatives among other leaders.

The exercise will start with briefings with County Governor and Commissioner on **Tuesday 23rd April 2013.**
