Dear Sir,

RE: REFUND OF UNSPENT BALANCE ON SAND DAM PROJECT
(KITUI)

We refer to your various telephone conversations and E-Mail correspondences with our Peter Mbae and Greg Nguta on the above.

This letter serves as an official request for a refund of the unspent balance on the sand dam Project. As earlier indicated to you, NCA regulations require that any balance of unspent funds by a partner in a particular year should be refunded to NCA who in turn refund the same back donors in Norway.

Kindly let us have a Cheque payable to Norwegian Church Aid for KES 296,129 representing the unspent balance as per your audited Income and Expenditure report dated 22nd May 2006.

Yours Faithfully,

Greg Nguta
