Dear Mr. Nillissen,

Re: 1. Second Financial Instalment 2. Reporting Format.

As you are probably aware, Jos Huizinga was in Kenya during August. We had good meetings and brought him up to date on our operations as well as future plans. We are still in the process of setting internal systems which will work for the long term. It is our hope that he has briefed you on our condition.

The purpose of this letter is to request you to send the second instalment of the funding. This is the dry period when it is important to expand the construction. It is our plan that major portions of the work be done this year.

We would also like to get a statement on your desired reporting format as well as reporting time periods so that we can incorporate it in our plans.

Yours sincerely,
SASOL FOUNDATION
